TRANSMITTAL

For the captioned matter, a facsimile transmission of a response package dated June 9, 2004, responsive to the outstanding office action of February 9, 2004, initiated its transmission at approximately 11:55 p.m. (EST) on June 9, 2004 and completed its transmission at approximately 12:06 a.m. (EST) on June 10, 2004.

Applicant believes that the response package did not completely transmit, with one page being mis-fed. The response package comprised 19 sheets and included

McCarthy Tétrault LLP TDO-RED #8234160 v. 1

Our firm facsimile cover sheet	1 page
USPTO Transmittal Sheet	1 page
Certificate of Facsimile Transmission	1 page
Fee Transmittal	1 page
Petition for One Month Extension	1 page
RCE Transmittal	1 page
Response	<u>13 pages</u>
	19 pages

It is not known which sheet is missing. Applicant suspects that the response was transmitted in full. Applicant notes that our firm facsimile cover sheet incorrectly identified the serial number as "09/588,589", instead of "09/558,589".

As completion of transmission of the package occurred on June 10, 2004, Applicant now believes that a petition for a two-month extension of time is necessary. Applicant herein petitions for an appropriate extension allowing consideration of the Response and its RCE. Agent for Applicant authorizes any fee charge to be made against Agent's Deposit Account 15-0633.

Applicant invites the Examiner to contact the undersigned when the response package is reviewed at (416) 601-7852.

Yours very truly,

Robert H. Nakano
